AGENCY: Department of Education.

ACTION: Notice inviting applications for new awards for fiscal year 1996; correction.

SUMMARY: The notice inviting applications for new awards for fiscal year 1996, in the issue of Thursday, August 10, 1995 (60 FR 40956), stated that for parties interested in programs of the Office of Educational Research and Improvement (OERI), separate addresses and facsimile (FAX) numbers would be included in the lists of OERI programs and competitions in Chart 1. Those addresses and FAX numbers were inadvertently omitted from the notice of August 10, 1995, and are specified, instead, in this notice. This notice also corrects discrepancies in the application deadline dates for certain competitions under the Office of Special Education and Rehabilitative Services.

SUPPLEMENTARY INFORMATION: As explained in the Supplementary Information section of the combined application notice (CAN) published on August 10, 1995, application notices for new awards under programs and competitions of OERI are to be published later. In the meantime, as an aid to customers, each principal component of OERI is providing an address and FAX number that interested parties may use to be put on a mailing list to receive information—such as an application package—when that information becomes available.

Note: In order to receive the information, a party must specify in its request which application it wishes to receive (see lists of OERI programs and competitions in Chart 1 of the notice of August 10, 1995 (pages 40958 and 40959)).
